# How To Find The Right Hotel In Seattle

Seattle, it is one of the most popular cities of US, so you can have a rough idea that how much busy the Seattle airport is. People from different part of world are coming to this city for their own purpose and that is why hotel business is really booming surrounding the airport. Seattle airport hotels are really well known for their excellent services and ammentities. Seattle airport hotels are the spinal cord of the entire hospitality market of Seattle. Style and luxury is not the only concern of the Seattle airport hotels but they are also equally concerned about the comfort of the air passengers passing Seattle.

If you are looking for a good and decent hotel near by Seattle airport then you must go for Airport Inn. Being a guest of this hotel, you are bound to have a nice stay experience here because this hotel is highly dedicated to give you the best service. Alttotal, it has 50 rooms. Airport transport is not a problem here because this hotel provides 24/7 shuttle service to airport. It offers an exclusive airport parking package to their guests where you can easily park your car for seven days and you can also use the guestroom for a night also.

If comfort and cleanness is the only requirment then you should go for the La Hacienda Motel. It is just next to the Sea Tac Airport. It has both single and double room facilities and you can have the personal kitchen facility along with your room. You can go for suite also. The best part of this motel is its affordability. If you check in for a day with minimum \$56 room rent then you can easily afford the free car parking facility. Just like any other star hotels, La Hacienda also provides you 24/7 free internet access and complementary breakfast.

Days Inn Sea Tac is another good hotel that offers lodging for \$62 per night and provides free shuttle service to the airport anytime you want. It provides you the opportunity to make free local telephone calls along with night unlimited internet facility. Rooms are big and room service is available till 6.30 to 10.30 at night. It provides all the luxuries just like any other five star hotels. Each and every room comes with microwave, refrigerator, cable connection along with free laundry and dry cleaning service.

If you are really looking for a luxury of the star hotel and at the same time want to stay near the airport then Clarion Hotel Seattle could be a right choice for you. You can have a nice shopping time in nereby shopping malls. All the rooms come with cable TV, internet and free laundry services. You can make use of the beauty parlour and heated pool inside the hotel.

If you have already determined to visit Seattle then you should do some research before going to this place. The Internet is the best place to do that. There are many [Seattle Airport hotels](#) to choose from and all of them have benefits.
