# Paris And The Many Things You Can Do There

Those visiting Paris will find that it is a truly amazing city with plenty to do and see while you are there. This is somewhere that is known as the city of romance, but there are actually endless possibilities to suit any taste. The following are examples of things that you can do while you are in Paris.

- The Louvre is one of the most beautiful places to visit in the world and is always worth a visit. Not only is this the home of the Mona Lisa, but also some of the other most beautiful creations to come from humans. A walk around this wonderful gallery is worth devoting a whole day to because there is just so much to see.

- No visit to Paris would be complete without sampling some of the world famous cuisine. The city is full of fantastic restaurants which will range to suit everyones budget.

- If you have never seen a live cabaret before then one place where you should rectify this is Paris. Moulin Rouge is probably the most famous cabaret but there are so many here to choose from.

- Jazz lovers are going to find Paris a complete dream. Paris is home to many jazz clubs where some of the top names can be seen quite frequently.

- If you fancy some bargain hunting then the Paris flea markets are the place to go to. You will be blown away by some of the great deals you will find. But remember that you should not be afraid to haggle to get the best deal and you will be doing a lot of walking.

- If you prefer some more up-market shopping then you wont be disappointed. Paris is full of concept stores where you will be able to part with your money without any problems.

- Cinemathique Francaise in Parc de Bercy is the place to go if you want to see some great French films.

Tickets for London, England and the Eurotunnel ([billet angleterre](#)) are essential for your journey to England ([voyage en angleterre](#)). On top of this you may want to think about staying in an English hotel ([h´tel angleterre](#)).
