Popular Areas In London

There are so many different parts to the city of London that your visiting experience will depend on which part you travel to. It is effectively lots of towns directly joined onto one another, with these being some of the highlights:

Covent Garden & The Strand - Host to a mixture of theatres, hotels and shops, the Strand, which is a wide street that runs from Trafalgar Square towards the City, is invariably thronged with people and vehicles. At one end of the Strand is Covent Garden, which is home to numerous bars, cafes, and entertainment such as mimes, dancers, and magicians, among others.

Kensington - You will find yourself right at the gates of Kensington Palace and in just the right location for not only shopping but for looking for members of the royalty. In this area, your chances are much greater of seeing a member of the royal party coming or going from Kensington Palace. And, if you do not catch a glimpse of one, you will still undoubtedly get many awesome pictures.

Oxford Circus & Piccadilly Circus - Millions of tourists visit these extremely famous areas every year. Situated in the West End of London, Piccadilly Circus serves as a central hub and common meeting place and is thus very busy and a tad untidy. Londons main shopping district is Oxford Street which can be best entered from Oxford Circus.

Soho & Leicester Square - Soho is a very lively London town where you are sure to find excellent bars and fabulous eateries. Leicester Square, situated adjacent to Soho, is well known for the UK films that premier there. Be sure to take your camera and autograph book along as there are often movie and TV stars who frequent these areas.

Westminster - The home of the UK government for the United Kingdom can be found in Westminster, as can the world famous Westminster Abbey. Grand, important buildings can be seen from every street corner and you cannot help but feel the rich history that surrounds you. A walk around Westminster is like take a step back in time to the height of the UKs days of glory.
